Did Muhammad Practice Beheading Part 2

> You are misinformed bro. Islam is going to overtake Christianity in about 60 years. We love the christians. You guys are using the 0.001 per cent of radical war muslims who saying all muslims are like that. I went to the link you have. Intellectual christian and aetheists who speak arabic have attempted to do this, to produce something like this but they cant. Look at the sciences, the prophecies in the bible refering to Muhammad. Deut 18:18 John 16:7-13 many more.

Deuteronomy 18:18 says:

17 The LORD said to me: "What they say is good. 18 I will raise up for them a prophet like you from among their brothers; I will put my words in his mouth, and he will tell them everything I command him.

This is no reference to Muhammad. Does it mention the name Muhammad? Even I can claim it is a prophecy about me. Can you disprove it?

John 16: 7-13 says:

7But I tell you the truth: It is for your good that I am going away. Unless I go away, the Counselor will not come to you; but if I go, I will send him to you. 8When he comes, he will convict the world of guilt[1] in regard to sin and righteousness and judgment: 9in regard to sin, because men do not believe in me; 10in regard to righteousness, because I am going to the Father, where you can see me no longer; 11and in regard to judgment, because the prince of this world now stands condemned. 12"I have much more to say to you, more than you can now bear. 13But when he, the Spirit of truth, comes, he will guide you into all truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come.

Is there any reference to Muhammad here? It is just Muslims' wishful thinking that that makes them think these verses talk about Muhammad. These are no proofs.

On the other hand Jesus warned about false prophets and that is more befitting of Muhammad. He said "*ye shall know them by their fruits*". I examined the fruits of Muhammad and found he is an impostor.

> He is mentioned in the hindu scriptures.

Muslims love to lie. Please read this link to know the truth:

> I know your site is against Islam. HERE IS THE LOGIC: If you thought the Islam was a forge then you would also agree Christianity and the others must be too

I see no correlation between Christianity and Islam. Christianity existed before Islam and is independent from it. Yes if Christianity is proven to be false (which often Muslims try to do) Islam automatically becomes false but not the other way round. If Islam is proven to be false, this does not invalidate Christianity.

> So why so much against Islam.

It is because Islam is a violent religion that breeds terrorists. I am against Islam because I want to save lives.

> Why are you guys one of the only ppl saying this. Why arent the scholars in their debates and dialogues saying this? www.aswatalislam.net go to videos and go to Ahmed Deedat or Jamal Badawi. Nobody says anything like this.

It is because we found the truth and others didn't. You don't agree? Call those scholars to debate with me and if they defeat me with their superior logic I will remove my site. If Islam is based on proof then bring it forth.

> Believe me I tried to proove Islam wrong myself, but I saw that I couldnt. People could attempt to say there is a contradiction here or there but all false.

You obviously were not armed with facts. I will arm you with facts and try again. You'll be able to disprove Islam like a piece of cake.

> The non muslims scholars agree there arent ANY contradictions. They allage god changes his mind but those questions were answered

Scholars do not agree that the Quran does not contain contradictions or all of them would be converting to Islam. This is obviously not happening. Here are a list of some of the contradictions in the Quran:

So once again I say this to you guys in the humblest way. I like criticism because I have proved to myself that this religion is the truth. Islam is based on PROOF AND FAITH. We can proove our religion, your site never says, ok this doctorine is wrong, just plays games to make it sound good. I assure you that any muslim will not be moves by this site. This is the lowest way to fight us if that is what you want.

It does not matter whether you say it in a humble way or like your brothers, in an arrogant and violent way. Truth is truth and facts do not change. My site is about arguments and logic. Why do you say it is the lowest way to fight? Is Jihad better? Can truth be established through war, killing and looting? What kind of truth is that? What better way to establish the truth than through dialogue and logics? You expanded your religion with Jihad, war and terror and I am now stopping you with my pen. Why my way is the lowest way and yours is the highway? Are you suggesting we too should arm ourselves and nuke the Muslims out of existence to prove we are right? Don't you think logic is better than fighting and killing?

I would personally like to meet with you guys and we could discuss these issues. But you and I know this cannot happen because as the Quran says, Whether you warn them or you warn them not, they will not listen , for Allah has a set a seal upon their hearts. So just wanted to give feedback thats all, that if I show this site to any muslim, it will anger and hurt them, not because they think you are right, but because its nonsense. Militancy is a result of politics.

You can’t expect us to believe you just because you say so. You have to give us the proof. Where is that proof? I am giving the proofs and facts and debunking Islam. So it is you who have seal on your hearts and do not understand, not me. Muhammad gave no proof to back his claim. The only proof he gave was a mole on his shoulder and he said this is the seal of prophethood. Where did God say if someone has a mole in his back he is a prophet? Actually I have a small mole in my left buttock and I claim that it is the seal of super-prophethood, can you argue with this irrefutable evidence? How much foolishness is enough? And you say we have seals on our hearts?

The USA built the Islamic extremists in Afghanistan when we were fighting the Soviets, some of the top ten on there list are ppl they built. Its all politics. Bin Laden said beautifully that we are not against freedonm

I AM NOT WITH BIN LADEN. LET me assure you on that. Those are extremists who are avenging what happend to their ppl in Lebanon and middle east. Like I said its all games.

Thank You

The USA did not built the Islamic extremists. She helped them to combat the communists. It is mind boggling that you can’t see the difference. Do the Islamic extremists recite the American constitution in their mosques and terrorist camps or they recite the Quran?

You are welcome!
